2925-7 W. Devon  
Humboldt Park Location:  
1018 N. California

Launch your child's violin education right at Stone Academy!

Mondays and Wednesdays 3:15-4:15, starting October 11! (we accept enrollments year round!)

## About Violin at Stone:

Beginning, Intermediate and Advanced Violin: Mondays and Wednesdays 3:15-4:15.

Music House's goal is to make learning violin a fun and positive experience. This is a Suzuki based class with the focus on ear training, postures, and finger placement. Students will learn at least 5 songs with the goal of learning many more by the year end.

Students in Beginning Violin work out of the first part of Suzuki Book 1, students in Intermediate Violin will work out the second part of Suzuki Book 1, and students in Advanced Violin will work to complete Suzuki Book 1 while starting note reading!

## How to Register for Violin:

Go to [musichouseinc.com/school-outreach.html](http://musichouseinc.com/school-outreach.html) or go to [musichouseinc.com](http://musichouseinc.com) and click on school outreach on the left.

Scroll down to where you see a list of schools and a link "Register" next to each school.

Find Stone and click register next to the appropriate class.

If you are a returning student, click "Already a customer..." at the top and login.

Can't remember your password? Simply click the blue link that says "forgot your password.."

Need a rental instrument? Include that in notes or give us a call and we will deliver an instrument to the school on the first day!

## Tuition and Fees:

When you register at [musichouseinc.com](http://musichouseinc.com), you will enter your credit card information into our secure, PCI compliant system.

Tuition is \$114/month, charged on the first of each month. This is an equal monthly tuition, which means that the price stays the same regardless of the number of classes in the month. This is based on a yearly tuition fee, split up into 10 equal payments because we like to keep things simple!

Rental instruments are an additional \$20.35/month.

First month fees will include a \$15 registration fee and \$25 materials fee (includes Suzuki Book/CD and all necessary class materials.)

## Why violin?

There are many physical, mental, and social benefits to playing violin. Children improve their posture and gain strength and flexibility in their upper body. Children show improved attention span, focus, a sharpened memory, self confidence and improved self-discipline. Studies have also shown improved communication skills and improved vocabulary. There are also many social benefits such as increased team work and leadership skills. Violin is also fun and a skill that kids can take with them for a lifetime.

## Why Music House?

Music House instructors believe in the value of arts education. We believe every child can learn and we work hard to make sure every child does learn. Music House and Music House instructors incorporate character building into class, teaching important values and skills such as responsibility, team work, leadership, helping other students, and most importantly respect (respect your instrument, each other, and your teacher!) Music House instructors also believe in making learning fun and engaging through educational games that motivate young musicians! Most importantly, Music House prioritizes the safety of your child at all times.

## Music house, School of performing arts also offers...
