

Online Pledge Pages for the Jog-a-thon

<http://friendsofstone.dojiggy.com>

9th Annual Stone Jog-A-Thon
Event Date: **Friday, May 4, 2018**

For this year's Jog-a-thon, we have again partnered with DoJiggy.com to allow the students to create **online pledge pages** that can be **sent to friends and family through email or social media**. These pages will allow donors to pay online to support the students and the school in this great fundraiser.

Here are the steps to create a page for the participant(s)

- Visit <http://friendsofstone.dojiggy.com/>
- Click on "**Register**" in the left navigation
- If you had registered last year, click on "**Login**" in the upper right and login with your child's username and password to register
- If you have not previously registered, complete the form for each student participating. Things to note:
 - You are registering and creating a page for the student – **not for the parent**
 - Email address can be the same for multiple students
 - Be sure to enter the class information to get credit to your class totals
- Once the child is registered, click on "**Personalize**" to customize their pledge page and add
 - Overall Donation goal (in Settings)
 - Picture or video (in Pictures or Videos)
 - Customized message to the donors (in Statement)
- **Post on Social Media or Email the page** to friends, family and neighbors to ask them to support you and the school
- View your page at any time with your custom URL or by searching on the friendsofstone.dojiggy.com site (in Make a Donation)
- Cash and check donations can still be collected – simply fill out a pledge form and return it with the money by May 18th – please do not enter the cash or check donations on friendsofstone.dojiggy.com

Raise more money with an online pledge page
