

10th Annual Stone Academy Jog-A-Thon Tuesday, April 30, 2019

Raise More Money with an Online Pledge Page at <http://friendsofstone.dojiggy.com>

For this year's Jog-A-Thon, we have again partnered with DoJiggy.com to allow the students to create online pledge pages that can be sent to friends and family through email or social media. These pages will allow donors to pay online to support the students and the school in this great fundraiser.

HOW TO CREATE AN ONLINE PLEDGE PAGE

1. Visit <http://friendsofstone.dojiggy.com/>
2. Click on "Register" in the left navigation
3. If you had registered last year, click on "Login" in the upper right and login with your child's username and an initial password of "stone123" to sign up for this year's event
 - **Change the password** in the My Account section once you get logged in
 - **Join your class** by clicking your name in the upper right corner and selecting Group Management then Join a Class. This is important for your class to get credit for your donations.
4. If you have not previously registered, complete the form for each student participating. Things to note:
 - You are registering and creating a page for the student – **not for the parent**
 - Email address can be the same for multiple students
 - Be sure to enter the class information to get credit to your class totals
5. Once the child is registered, click on "**Personalize**" to customize their pledge page and add
 - Overall Donation goal (in Settings)
 - Picture or video (in Pictures or Videos)
 - Customized message to the donors (in Statement)
6. **Post on Social Media or Email the page** to friends, family and neighbors to ask them to support you and the school
7. View your page at any time with your custom URL or by searching on the friendsofstone.dojiggy.com site (in Make a Donation)
8. Cash and check donations can still be collected – simply fill out a pledge form and return it with the money by May 14, 2019 – be sure to mark as cash or check if entered on friendsofstone.dojiggy.com
